To whom it may concern:

I am writing this letter to certify that JADE CLAUDIA WALAKANDOU was cooperated with WFUNA in the framework of our on-line educational training programs about the UN system entitled "GLOBAL UN SPOTLIGHT TRAINING PROGRAM."

This program is held by the World Federation of UN Associations (WFUNA), a global nonprofit organization representing and coordinating a membership of over 100 national United Nations Associations (UNAs). Global UN Spotlight Training Program offers the necessary tools to help participants understand evolving global challenges and a unique perspective on critical issues on the international agenda. The objective of this training program is to develop and reinforce practical skills and specialized knowledge in international affairs and multilateral diplomacy, to enhance their ability to work effectively in cross-cultural contexts and to foster the soft skills needed to succeed in and increasingly interconnected world. Throughout the program, students hear from UN officials, participate in interactive workshops on a variety of thematic topics, and work with their peers to present possible project ideas.

JADE CLAUDIA WALAKANDOU, while employed with our partner ThinkBank International, proved to be of great help in making the program a success. She proved very serious and totally committed to the partnership we form with her employer as well as to the success of the program. This made a difference and I can say that her actions and pleasant demeanor throughout the training greatly enhanced the experience of the students we welcomed.

We were glad that ThinkBank chose JADE CLAUDIA WALAKANDOU to collaborate with us. The presence and involvement of this type of employee or trainers strengthen the collaboration with our partners and contribute to the success of our common goals.

Yours Sincerely

Aziel Goulandris
